Held at the Institut Français in London this day is aimed at lecturers of French working in the English Higher Education sector.

The day will consist of a number of presentations from leading French specialists as well as afternoon workshops.

The event aims include:

- to hear about some of the latest approaches to teaching French language and culture, developed in France

- to meet some of the leading French specialists in the area of teaching language and culture

- to gather ideas and arguments to motivate students to learn French and other languages

To register for this event please visit the Routes into Languages website. For further questions please contact routes@soton.ac.uk

Lunch and refreshments are provided. There is no charge to attend
