

Routes into Languages – Arsenal Double Club

Portuguese Double Club Volunteering Project for Y12

We have 10 places available for Year 12 pupils speakers of Portuguese to deliver the Arsenal Double Club Portuguese to younger pupils in Years 8 - 9 or in local primary schools.

Volunteers will be selected according to an application form and their availability to deliver between 10 and 12 hours of Portuguese and football sessions. They may work in groups or individually. They will be required to attend training at the Arsenal Emirates Stadium and to make the necessary arrangements to deliver the language and football sessions with the help of their school.

Volunteers will be supported by University Ambassadors and receive a certificate upon completion of the project. It is envisaged that the whole project will last between 6 and 8 months. This project is suitable for the Duke of Edinburgh Award.
