

LANGUAGE LEAGUE

KICK OFF

Routes into Languages NW is delighted to launch The Language League: Kick Off resources for teachers and pupils.

The **Language League: Kick Off** is a creative and unique initiative for young people to develop and enhance their language skills. It offers an attractive and creative approach to language learning linked to the game of football. Using classroom based learning activities and on-pitch football sessions pupils are enthused and encouraged to put their language skills into play.

All pupils will receive a FREE RiL FC badge with their workbook

The **Language League: Kick Off** resources will help you deliver inspirational language lessons using our fun, interactive and engaging football themed resources. Our Routes into Languages club (RiL FC) is comprised of an international community of animated players, our manager, a team mascot and a home stadium.

The **Language League: Kick Off** materials are comprised of a fully integrated package of teachers' notes, pupils' workbook, a series of PowerPoint presentations and additional printable materials, such as flashcards.

Delivery mode:

The **Language League: Kick Off** resources can be delivered using a flexible approach. The programme is designed as a broad and adaptable framework, and should provide beginners and intermediate pupils with ample material for at least six weekly sessions of 90 minutes, but can be delivered over as many sessions as you wish.

To order your resources please complete and return the form to:
