

# HEY linguists!

As an **EU** translator you would:

- ▶ make the most of your languages
- ▶ live and work at the heart of Europe
- ▶ embark on a stimulating career
- ▶ earn an attractive salary

**Be honest:**  
**doesn't this sound like the job for you?**

A **competition** to recruit  
English-language translators  
will be launched in **July 2010**.
