

Learning languages has helped their careers..

... How will it help yours?

Could you be a **Language Leader?**

We need 15 students to form a team of **Language Leaders**

You will need to:

- Be enthusiastic about languages and cultures
- Be a team player with a strong work ethic
- Be punctual and reliable
- Have good communication skills

Successful applicants will then have the opportunity to develop key employability skills by organising events and activities to encourage other students to learn about different languages and cultures
