

Pop Video Competition

Do you think you could write a song or rap in a foreign language? Do you have the IT skills to make a video to accompany your song? If so... this competition is for you.

The Routes into Languages South West is inviting you to submit a short video, animated if you prefer, to accompany a song or rap which you have composed in a foreign language. It has to be an original song or can be loosely based on an existing tune. The competition is open to students between the ages of 11-18 in full time education and will be judged in two categories: 11-14 and 15-18.

The winning entry will receive a prize of £100 and a trophy. Three runners up in each category will receive £50 each. All participants will be given certificates of commendation. We will videostream your video on the Routes into Languages South West YouTube channel.

And there is also a special prize – 'The Online Viewers' Award'! You will have a chance to vote for your favourite video after the closing date. The details about it will be posted on our YouTube website before the closing date.

Please see page 2 of this flyer for details on how to submit your entry and the rules of the competition. You can also view the entries from the previous years on our YouTube website: www.youtube.com/user/RiLSouthWest

The closing date for entries is **10 am Tuesday 3rd May 2016**.
