

The Great Languages Bake Off competition has returned for 2016 at the University of Sunderland!

Specifically for Year 9 pupils, The Great Languages Bake Off is a video and cooking competition with a foreign language twist. Full details and a registration form are available online at www.routesintolanguages.ac.uk/events/great-languages-bake-north-east-england. The current submission deadline has been extended until 12 noon on Thursday 3rd March 2016.

How does it work?

Each participating school prepares a dish in French, German, Spanish or Mandarin Chinese. You then:

- Create and submit an ingredients list and instructions on how to make it in the target language.
- Film and submit a video of your food preparation and narrate the process in the target language.
- Include a commentary on the key language points that are worked on in the video.
- Each school may enter up to 3 groups of pupils from Year 9.

A celebration event will be held for participants on the 21st March 2016 at The University of Sunderland.

Please contact event organiser Jenny Hayes directly with any queries at jenny.hayes@sunderland.ac.uk.
