

Guten Tag and ПРИВЕТ [privyet]!
I'm Vicky and I'm a medicine student
from Moldova, but I'm currently working
in a German hospital.

What did you study?

I studied medicine in Timișoara, Romania.
I learnt Russian when I was young, English
in Kindergarten and German when I was 17.

What is the best aspect about your job?

Making correct diagnoses, always working
with people and helping patients.

What encouraged you to learn languages?

My teacher, who is very good at their job.
Generally, it's people who can speak a lot
of languages.

Where have you been in Germany?

I have done work experience placements at a
hospital in Heidelberg and I also spent a term
studying in Frankfurt. During these times,
I visited cities such as Leipzig and Munich.

How have these languages helped you in
your studies, work experience and work?

There are a lot of German books that I need for my
studies. I have also had the opportunity to do work
experience placements in Germany. It has meant
that I have the opportunity to enjoy working in
a German hospital with patients and doctors.

What kind of skills do you need for your job?

Discipline, patience and lots of work.

Как дела?
